Subject: Buckinghampalace/Egypt/ICC/War in EU

Embassador Egypt in NL, Buckingham palace, ICC, Kremlin, China, Germany, Australia, Portugal, Korea, Turkey,

NLF-Reader connected to the Int.Criminal Court,

This email will be published on www.newlegalframe.com

The way Egyptian El Baradei talks about the fact that he wants Bush to be put on trial within the International Criminal Court... triggers war in EU.

Since 1 may 2007 there's law case against former NL-president Balkenende & co within ICC.

Balkenende has made sure that the Dutch supreme court throws away files - lawcases - in case of misconduct & warcrimes committed by Balkenende & co.

The main reason for this crime was in 2006 the fact that Balkenende was friends with Bush, only to start the Irak-war.
The majority of the NL-people was against this war.

**Balkenende made sure that individuals like me are being tortured & murdered for his higher political games.
The Dutch Royal family is part of these warcrimes.**

In NL, Balkenende has done everything possible to sabotage an investigation on the participation of NL in that Irak-war.

In NL, we have never had a proper legally correct investigation on our acts in Irak.
Never have punished a politician or civil servant for warcrimes committed in Irak.

The main reason for this is.... that all 225 MPs & media in NL-parliament ignore the fact that the Dutch supreme court & ICC torture & murder NL-individuals....

NL-politicians & media refuse to stop war with legal means!

In 2008, Obama took office.

The close friendship between Hillary Clinton & Balkenende & co...and later Rutte & co... has made the international position of ICC a very political one...
ICC is an official terrorism-organisation according to our NL-criminal law.

Read my letters from and to ICC and other organisation on www.desireestokkel.nl

ICC refuses to implement & conduct Human right-treaties in the files - lawcases- they receive.

Nobody knows how many lies ICC produces about how many files...and how many lawless persons!

**El Baradei refers to ICC as if its a fair courtsystem, ignoring the fact that USA-NL-EU-UN-Nato close dirty criminal deals together.
Deals which are hidden for the World.**

USA is a very aggressive country that only wants to end conflicts with violence...and lies in the media.
NL supports USA in this policy.

ICC supports NL, assisting USA...in committing warcrimes.
ICC is going to put Arab-leaders in ICC-prison to keep EU-leaders above the law.

And this is Worldwar 3!
