Dirk Jan van den Berg,

In the media is announced that you will open the Institute for Global Justice in The Hague soon.
Is this another idea of Rob de Wijk, HCSS?

Former Minister of State USA -- Madeline Albright -- will be a board-member.

Did you inform her about the fact that there is a lawcase against the Dutch Supreme Court,
parliament Balkenende & municipal Bloemendaal with the International Criminal Court, since 1 may 2007?

And ... that ICC works like a Hitlercourt?

I suppose you didn't...

Therefore I shall ask the Kremlin & FBI to bring this news to Madeleine Albright, personally.

This email is published on www.newlegalframe.com
Talks & openletters.

On www.desireestokkel.nl you will find all the evidence of Balkenende & ICC.
