Paul,

Don't buy everything the UK-government tells you....

PM Brown is not the problem, but your Minister of Foreign Affairs is

'a little empty dictator', with his 'group against Russia'.

Dangerous ambition!

I still don't know 'which part of the population in Isreal is with me'.

<http://corcom.freeforums.org>

= emailaddress of org that invited me to write on their forum.

This was a forum about National Security published in NL and in NL-language, but in charge of Israel.

Don't ask for it! Perhaps its the Israeli-intelligence-services.

EU & UN may not know.

You know Paul,

Gods & Goddesses said to me:

'You will have 3 happy years with Paul.

Than life will take over...!'

Life will take over means: 'a common life-events takes time'.

This was a few months ago.

I can't fit it in anymore, now the World has changed overnight.

I have to do a lot of work in Russia, these weeks.

The fact that you give concerts for Moslims, does NOT mean that you are secured!

Do you understand this?

'Many maniacs make 1 country'.

The fact that you show the Middle-East & Far-East 'how a UK-VIP and NL-war-victim fight on the Web over NLF', does not bring Peace or Love.

You make Life HELL for war-victims; you show NO regret.

My email of the President of Iran, is helpfull... although your USA-part... in your body-soul-spirit... brings back hatefull memories in individuals.

And I already know 'that you can't level with people who have too many hatefull memories'.

You humiliate those victims for having those feelings.

USA-UK-VIP in Israel.

Something is too wrong!

Oóóóóó...

Behind <http://corcom.freeforums.org>
hides a security-compagny.

Do you travel around the World with you own security-compagny or do you hire 'people abroad at the location'?
Look into it.

I wish you security in Israel.
NO-EQ-scooter, now you don't want to be intelligent on the EQ-level...

Love Wisdom...
You have time enough to compose it before 25 september 2008.

'Based on what behavior inside yourself can war-victums believe that you are a wise man, Paul Mildred mcCartney'?
