Paul,

Newspaper TROUW publishes a small article about the Beatles.

You are not that famous in NL anymore....

So what they do is this:

'They read my sites and search for a minor newsitem'.

UN Security Council causes a lot of trouble within ICC.

Can't put it in a frame, yet.

But I do know that the USA has stopped ICC from bringing Sudan/Dafur to ICC-prison. For the wrong reasons!

Sudan does not have to be brought to trial because ICC lies about their case against NL, worldwide.

ICC is partial to NL, while they send Sudan to jail.

USA ignores this fact.

I don't want Balkenende & co to be arrested by ICC - UNSC - but when ICC & UN boycott trials against EU-statemembers, the World will be lawless.

Will the status of political blackmail become more important than the production of clusterbombs?

Only if I get things my way....

Well, I can only put it in a new frame after UN has replied to my letter of 2 juli 2008.

Coördinates change; times are turning.

I Love the excitement that comes with the emotions of 'Times are changing', but the possible outcome can be scary as hell.

You are wasting 'Powers of Love...between Us...', Paul mcCartney.

You are creating battles, NO Beatles...
