Dear reader,

Did Paul McCartney tell you about his contribution to the International Criminal Court?

I asked him to rescue my life, because I am a lawless woman in NL, being tortured by local civil servants, the Dutch supreme court & MP. Balkenende & co.

I'm also the first woman ever who started a lawcase against NL with the International Criminal Court on 1 May 2007. Only to discover that ICC is corrupt, tortures & kills victims... ALL under supervision of the EU & UN.

Because of this corruption, Sudan - Dafur - is furious with this court. Sudan is also furious with NGOs who support corruption in NL, EU & UN & ICC.

Sudan is right! Eu-politicians are above the law, they kill while Interpol watches them....

Before Paul left for Israel I begged him to contact me, so I could instruct him on: 'Right talks for peace in the Middle-East'.

But he refused to talk to me, because he never intended to rescue my life - and that of millions connected to me - in the first place. I begged him to stop his druel behavior towards me and NLF-readers.

Why?

Because I'm the only one 'who can do or say anything to angry Moslims, without being threaten or killed for it'  
= Those lawless Moslims understand that I live in hell too, under similar circumstances as they do  
= NO legal system to defend myself  
= NO money to educate my kids well  
= Criminal politicians who only build war in Afghanistan/Pakistan, Africa to keep themselves out of ICC-prison.

Paul endangers my life with his crude attitude and his FAKE LOVE in relationship with me.

He only used my ICC-case - and the way I try to survive torture myself - as  
- a cheap security-measure for his Tell-Aviv-concert  
- source of inspiration for his Fireman CD & Radio

This has not given me anything to help me survive my ICC-case or to help people who will be tortured & killed due to corruption within ICC.

He also endangers the lives of aid-workers.

Of No Landmines, for example.

LOOK....

When you really want to rescue lives of kids, you have to do fulfill a more difficult job

= make clear to Dr Sir Paul McCartney that you can't live with his LIES for Peace  
= send him away under the condition: 'You can come back after you have undone all your terrible mistakes in connection with the IC-case of Desiree Stokkel, NoLandminesUK & Jamie Oliver'.

I don't know what will happen during concerts in which P. performs.

FBI is involved too.

I have NO idea which talks there have taken place between Organisations where Paul performs coming months & FBI.

I did refer these org. to my websites, only to protect audience.

This man makes me so furious!

- he destroys everybody with his tyrant-behavior and his lies

- he turns himself into a dictator, while he can rescue millions of lives by supporting me

You may only email, not call me on the phone.

If you have any doubts about security, contact the local Police & FBI.

Hillary Clinton is causing a lot of hatred in Afghanistan/Pakistan & Middle-East at the moment.

I have given the White House my ICC-case on CD by mail

=When Obama & Clinton continue to ignore the fact that the most powerful court of law on earth is corrupt and works like a war-maker, USA only distributes hatred, instead of Peace.

Although I believe that Obama & Clinton want peace....

But when favouritism amongst USA- & EU-politicians is more important than 'cleaning up ICC & bring EU-dictators to trial' there will NEVER be peace.
