Dear reader,

Paul mcCartney has to make clear to the people 'how his concert in Israel is financed'.

He's is related to a lawcase with the International Criminal Court in the Hague.

If people believe 'he's corrupt to corrupt politicians in Israel, who can have himself and others assassinated for it'. Believe me, he's a very subborm man 'who thinks he knows everything better because he's the famous Paul mcCartney'.

When the concert is financed with privete money, risks are lower.
