Stella mcCartney,

Its already clear to me:

'Your father doesn't want to rescue my life, so I can rescue the lives of millions of other people, linked to my ICC-case ...and even NoLandminesUK'.

He used me for my Love-talks, while he has is comfortable relationship with Nancy.
For me, my ICC-case is war... first; Love later...

This man doesn't care for damage he causes in lives of war-victims.
Or the fact that he pays people who make war with politics & corruption, for his security in his celebrity-life.

I am under the impression that NoLandmines... will push him away...when he endangers my life and theirs, instead of helping us to rescue human beings with legal constructions.
I have given Paul untill 2 january 2009 to undo his mistakes.
But he 's evil... Only searching for a way to gain popularity & money out of me.

You have to make up your own mind.
I can't save your business.

He's not intelligent enough to protect Beatrice when he turns her into a celebrity.... and he doesn't care!
