Dear reader,

Paul McCartney is not completely honest with you.

He endangers lives of people, by lying about his contribution to a lawcase with the International Criminal Court.

Read my site & contact Police/FBI about this.  
Don't underestimate his hatred towards people who turn to him for help, but who are too poor & too lawless for his standards.  
He's crude!

Dear reader,

I have said everything there is to be said about PaulmcCartney  
= he doesn't want to rescue lives of war-victims, he only wants to make money out of them.  
= I am going to ignore him from now on. For me he's an official warcriminal who also wants to endanger the lives of aid-workers of Nolandmines.
