Dear reader,

I need your help with Paul McCartney.

He is very stubborn...

The result will be that I have to put him in prison of the International Criminal Court, because he misused me & ICC during his Tel Aviv-concert.

I don't want to put him in prison, but I have to for self-protection.

For national security...against terrorism.

For the worlds'security.

When Paul gave me acces to his work & life - with addressing him from my websites - I always have been clear

= This is the worlds' most important lawcase for peace.

= NL wants war, you have to rescue my life, so we can rescue the world.

A lawcase against NL-parliament with ICc is hidden from the world by ICC and the NL-media, while Taliban & Al Qaida are informed about the situation.

I do have some power = war-victums in Afghanistan & Middle East are trying to build their files for lawcases too...

But I am only 1 person who can prove NL wants war, so NATO wants war...

And last week, NL-policies prove I am right

= The new major of Rotterdam is one of the suspects in my file with ICC, charged for slavery & making of terrorism.

= This man should have been removed from parliament - together with Balkenende - in june 2007.

= AIVD shuld have cleaned up all war-lords from my ICC-case

= BUT, they are free to move from job to job, even in Rotterdam. mainport for EU.

What will happen?

Rotterdam has NO legal system left = a war-lord as Moajor can not be in charge of the local police, Office of prosecutor, war against terrorism...

'True terrorists'- who threatened Paul McCartney - read my site.

They are now waiting for Justice done in ICC

= They want Paul to pay, for the fact that he excluded war-victums in Israel/Gaza/West-bank

= They want him to pay to Me & ICC for misleading & misusing people...

In itself, this is a good solution. The whole world profits from it!

ICC has to be a reliable court...and when Paul makes them judge against him, they have to become trustworthy.

BUT...Paul is on the Devils'track...

He has chosen the wrong system to change the world.

I asked him to rescue my life - in a deal between him & me - that i can put on the desk of the ICC-0judge to make them more trustworthy.

MY propasal to him is without crime!

Without death-threats.

Paul has made a mistake...and he has to UNDO it.....

We need to sti down, talk things true...and come up with a NEW NON-CRIMINAL propasal to stop war-makers in NL, to make ICC reliable.

But he doesn't want to do these serious talks.  
He ignores me and is waiting for a miracle....

In a way, he is in chock, not expecting this hel at all.

But he is a grown up man, and he has to face up to the most horrifying mistake he has made in his life.  
And restore it!

He is complicating thing.

And, he is not getting away with it, because I have to defend myself for justice in war-makers-nation the Netherlands.

When I fail, NL will be a dictatorship free to dominate EU and the rest of the world.  
The financial-crisis is just the beginning.

NoLandmines has NO security whatsoever left, in the field  
They can't trust UN, EU, local parliaments, governments or Int. courts of law anymore.  
When they try to remove a mine, they can be shot in the back easily, by a local war-lord on instructions of the UN Ban  
ki moon 7 UNHCHR.

Thus?

I ask you to make clear to Paul that he would better talk to me an sort things out for national security in the UK, USA  
& world.

I have given him until 1 january 2009.  
Than I put him in prison for making money out of a war-victim with an ICC-case with his Tel Aviv-concert.
