Paul,

Knowing the Dutch, they will soon find an event for which they invite you to give a concert in NL.

Mainly to make sure You - another suspect with an ICC-case against Slavery - will become 'a corrupt friend for the suspects/perpatrators in my file'...

The idea will be: 'When Paul turns against Desiree, the ICC-judge will turn against her too = Paul gets away with a reprimand, so will we... because we have payed Paul mcCartney 4.3 million euro FEE for the NL-concert'.

If you do accept their offer....

I shall poison you with Flower-Power-tea.

Don't worry, it will be vegetarian-tea.

I shall steal the ingredients from the bin from one of the restaurants you visit.

Look, it all seems like a joke...

But when you do accept a concert - payed by minicipal The Hague or NL-tax-money - its possible that the ICC-judge send you to prison too!

A NL-judge would say:

'Dr.Sir Paul mcCartney we may assume that you have some wisdom inside your system, therefore we conclude that you have made the choice to have yourself payed by persons who are about to send to ICC-prison for the making of terrorism. You will be punished on that line'.

You may NOT accept a concert payed with NL-tax-money.

You have to be very careful when you close deals with NL.

Music therapy for children

I can do with some....

I want you to do something, very nice...

You - and Jaap van Zweden - should give a concert together for kids with serious learning-difficulties.

1 hour in Haarlem. Concerthall of Stadschouwburg. Saturday-matinee.

Perhaps a Second concert on Sunday-matinee.

For kids and parents only.

Affordable tickets.

Serious invitations addressed at organisations who provide in Music-therapy for these kids.

You may make a DVD out of those concerts and make some money out if it.
