Paul,

You give me no choice....

<http://www.desireestokkel.nl/PaulmccartneyICCjudge16sept2008.pdf>

I am going to tell you wath I think, based on my experiences with psychoses.

You behavior is something I know so well in ly life!
that's why I have been patient with you.
Today I regret the fact that I have given you so much freedom, being linked to ICC.
I should have made you part of ICC with an official letter to the Judge months ago.Than you would have been forced
'to give my your official NLF-contribution in writing'.

I did send the ICC-judge my sites on Cd, of course.

Projection.

You head is full.
Music is still with you.
Lost you clear-mind, that part that puts IQ & EQ in perspective.

You behavior is the result of your marriage.
Part of Heathers-behavior has become part of you.
You have lost yourself over the past 5 years, but did not comprehend the intensity of it.
Now, you begin to feel it.

You project Heaters' bad behavior on people in your surroundings.
Me, for example.

You handle Me as if I am after you money, while I am not.
I only want to survive my ICC-case, for my family & worldpeace.

Personality-wishe I am not a gold-digger; don't want to become one with my ICC-case.

But, you treath Me like shitt, because you are afraid 'that I will be a second Heather in you life'.

In fact, I am the only one who can rescue you from the hatred you create at the moment, between nations, ethnic groups, social classes and 'friends'.

While your mailbox is filled with angry emails from people who don't want you to perform in Israel, is my mailbox empty.
I have tried to rescue you life, over the past few weeks.
But I think I shall not succeed.

War-criminals in the Middle-east have the habit 'to let the perpatrator live, but to kill his/her relatives.

it would not surprise Me, if they make sure that you will be save, while your children or others linked to you are going to be stalked / kidnapped / tortured/ killed.
Thats the way the system works.

My ICC-case - and your contribution to it - is a lot to take in for non-educated-people in the Middle-east.
They feel discriminated.
I am going to fast at the moment.

It took me 14 months to build up the first credits in the Moslimworld.

You want to have it ALL, thanks to my ICC-case in a few months....while you don't take care of me...
While you don't want to build Equilty & Equality amongst civilians with you Israel-concert.

You went to ukraine on invitation of a social organisation.
You travel to Israel - being payed - by war-builders.
You forget about all this!
And you, turn Me - 'local poor war-victums - into your prostitutes by doing so.
Your behavior is SÓÓÓÓÓÓ digusting!

Can you look your children or Nancy in the eye, when you are happily alive after the concert, but they are in a wheelchair due to a blast related your Israel-concert?
NO, you can't!
You turn into stone...and make them feel as if they are stone to you too.

And thats precisely what Moslims want!
You make Moslims of other local residents in Gaza & West-bank feel as if they are stone.
So, they turn you into stone too.

They shall never turn me into stone; I try to humanize them!

I asked people linked to you 'to isolate you'.
Need to break away from psychoses, to refind you clear-mind again.

If you don't want to find 'you clear mind', you are going to be lost for the rest of your life.
66 years old....

There's NO WAY out!
You can't undo mistakes you have made over the past few weeks; have to learn to live with it.

Who are more important to you?
Middle- & upperclass ticket-buyers or your own children?
Your fundraisings for NGOs who want No War, Fair trade 7 Eko?
Me, ICC & NFL....or you stay in ICJ-prison?

You have to apologize yourself officially.
When you can't analyze mistakes you have made, nowpsychoses are too strong inside your brain...you just have to break away from it all.

Explain people 'you need a break to sit down and think things through'.
They will accept it; even the Moslims who want you to suffer today.
In a few months time you can always talks about your mistakes.

Do you want to die as a wealthy spoilt rotten celbrity who prefers to handle vulneralble people like 'prostitutes' or do you want to die in Evolution & Evaluation?

Its up to you, Paul.
You have the right to committ suicide, but you do not have the right to destroy people in your surroundings, regardless their social status, income or legal position.

PROJeCTION of your low-EQ-intelligence on less priviledged others is you main problem!
People are NOT as STUPID as you think they are.....

You get 1 nano-second today, but never forget I am going to put you in yail if needed.
