Stelle mcCartney,

When your father turns Beatrice into a celebrity, he endangers her life.

This is not about bodyguards, though about the fact that Paul mcCartney has a Spoilt Rotten lifestyle in the computers of Al qaida/Taliban.

'And he wants his youngest daughter to have the same lifestyle too'.

Even when all 15 million pages about him are removed from the Web, he still will be in the computer of Al Qaida.

Your father doesn't want face up to his crude behavior.  
Nothing proves 'that he wants Equity & equality for ALL of Us'.

My kids are save from Moslims, but in danger of local police & authorities.

Paul believes the people he pays for security  
= but they create war in EU... and have UK-soliers killend in Aghanistan...

We will NEVER know 'if Paul survived Tel Aviv, because he payed 5000 police-officers to protect his lifestyle...  
Or, because of the fact that I emailed the Moslim-world for 3 days...and asked then 'not to assassinate Paul, because I want him in ICC-courtroom'.

Is there some-one with intelligence in the mcCartney-group?

When Paul stays the way he is, related to me... I can't rescue Beatrice...
