Paul mcCartney,

I will publish this email on www.newlegalframe.com NLFbehaviorPaulmcCartney.

I asked you to undo your mistakes in your relationship with me and in connection to my ICC-case & Tel-Aviv.

You refuse to talk to me.

Despite the fact that you also know 'that you endanger the lives of aid-workers & NLF-readers with your rude & crude attitude towards me'.

Even UK-soldiers in Aghanistan can get killed because of your behavior.

NLF-readers expect you to be civilized enough 'to grow in wisdom and to learn from your mistakes'.

To be good-hearted to all of us.

Its clear:

You have placed yourself above the law.

You don't have to care for the damage you cause in other peoples life, not even when you contribute to peoples death in warzone.

Its also clear that you want to Evil, in connection to me & ICC:

Some people may think:'he's going to give D half of the money he made with his Tel-Aviv-concert and the other half goes to ICC=vicutmfund, when the case goes to trail'.

But the fact is...'that I asked you to rescue me life...and that of aid-workers...with only a very small investment'.

You don't want to do this, but you want to be part of NLF?

When you don't WANT to rescue my life, this ICC-case will not beclosed before you die.

Result: You don't have to pay me or any other war-victums anything.

AND...you never invested social behavior & money in Peace, but you are not stopped of punished for it.

Thus:

You have made the choice 'to enrich yourself at the cost of my life and that of aid-workers', by ignoring me - my warnings & ICC-case- .

In de media you have started a 'charm-offensive to prove that you are not the bad-guy I describe on my websites'.

I read in the Standard:

'My marriage with Heather was hell, but I prefer to close relationship with dignity. Heather throws with mud, I don't'.

Your marriage with Heather was bad because your prove to be a tyrant, who doesn't want to learn from his mistakes.

Both - you & Heather - were caught up in psychoses.

Non of you went to a therapist to sort things out for a simple divorce and a good relationship with your daughter Beatrice'.

Paul mcCartney, you behave like a crude cold-blooded-killer...but you present yourself as a 'good man'?
People have to die for you...and you don't care!

When you marry Nancy, angry victims will think:

'Paul & Nancy - 2 war-criminals together -'.

I don't understand Nancy in this one

= Why does she want to marry you while she knows that you abuse me & aid-workers?

You believe 'that you have the right to abuse war-victims who turn to you for help... and that you have the right to cause more war by making money out of them'. You need to see a psychiatrist!

One day, your daughter Beatrice will understand what you have done with her youth

= you left her with the knowledge that her father was an unscrupulous liar who only cared for himself - and his Beatle image - in the media

= you behaved like a warcriminal within ICC and sabotaged justice for his money-maker system

= her brothers & sisters did not stop their father either

What kind of a father are you?
