You've got 2 options with the Gossip-magazines:

You make sure that they think of you as a fair man, for ME, ICC & Nolandmines.

Or...you wait untill they discover 'what you have been doing'.

For security-reasons, you take the first one.

And... 'turn Nancy into an Extra mother for Milly, not your room-mate'.
Have to make a choice between Milly and your gossip-life.

Why do you destroy the career of Stella?
Mary & James are more out of sight.

Heather slows down, but there's so much porno on the web.
