**De media negeert Interpol in Frankrijk.
Griekenland misbruikt de luiheid van de media om corrupt te blijven.**

Interpol wordt bestuurd door een lui corrupte criminele Griek -Ronald Noble -
Hij dient als dekmantel voor de grote Rijke corrupte Grieken.
Corrupte Grieken voelen zich veilig omdat zij Interpol aan hun zijde hebben.

De media negeert ook de echte werkwijze van het Internationaal Strafhof.

Media weigert bewijs van burgers te onderzoeken die aantonen dat het mr Luis Moreno Ocampo van ICC een huurmoordenaar is die op verzoek van politici burgers foltert & doodt.
ICC & Interpol sluiten corrupte criminele deals voor arrestaties...of houden speciale burgers boven de wet.

Er komt dus nooit een einde aan de Eurocrisis...omdat de 2 machtigste partijen op Aarde - Interpol & ICC - van de VN, EU, Navo de vrijheid krijgen corruptie voor de Rijken te regelen...en mensen te doden die dit bewijzen.

**Media ignores Interpol in France.
Greece misuses the laziness of the media in order to stay corrupt.**

A lazy, corrupt criminal Greek - Ronald Noble - is in charge of Interpol.
He serves as a cover for the big rich corrupt Greeks.
Corrupt Greeks feel safe now they have Interpol protecting them.

Media also ignores the real methods of work of the International Criminal Court.

media refuses to investigate on evidence that proves that mr Luis Moreno Ocampo of ICC is a hitman -warcriminal- who tortures & kills civilians on request of politicians.
ICC & Interpol close corrupt criminal deals for arrest-warrant...or keep specific civilians above the law.

So, there will never be an END to the eurocrisis..because 2 of the most powerful actors on Earth - Interpol I ICC - are given the freedom to organize corruption for the Rich ...by the UN, EU, Nato....and to kill persons who have the evidence to prove this.

Both - Ronald Noble & mr Luis Moreno Ocampo - need to be removed from their seat.

This is not going to happen, because all politicians also keep Ban Kimoon in his seat for reason of national corruption, despite the fact that he instructs mr Luis Moreno Ocampo & president of ICC ... on tortures & killings of EU-civilians.
