Open Brief / Open Letter

to

- Beatlefans & Paul McCartney-

Beatlefans,

You have been reading my websites over the past year.
Today, I ask you to 'step away from Dr Sir Paul McCartney', for your own self-protection.

Paul McCartney enjoys

- to abuse me – a warvictims who turned to him for help -
- to endanger the lives of aid-workers of NGOs he's involved with

From now on Beatlefans will have to face up to more danger tóó!
Believe me, Dr Sir PmcC doesn't care for the danger he causes in other human bodies.

Tomorrow, UK will meet our MP Geert Wilders in an official crime-scene.
Wilders is asked - by the UK-parliament - not to visit the UK anymore, because he discribes hatred against the Islamic-world. There is a lawcase against him, but our courtsystem fails.

Wilders doesn't take No for an answer and is planning on taking the plane to the UK thursday for the promotion of his Fitna-movie to politicians & people.
I hope that the Airport is going to stop him, being 'an unwanted guest'. I think they will.

Wilders is not the only 'dictator in NL-parliament'.
But with his acts he's the first to distribut dictatorship NL into other EU-countries, officially.

Thus?

- The Islamic-world is with me, not with DrSir PmcC
- As long as he refuses to undo his mistakes in connection with me, Tel Aviv & ICC or NGOs, he endangers peoples lives
- But....he's already too late with his 'possible regret'
- He is a crude man who turns around and walks away from the individuals he damages – as if they never were part of his life -
- Than he relies on his Fame and starts a new so called 'Good project to prove to the world that he is a social behaving man'.
But he isn't; he kills with his left hand ... and... buys Love with his right hand.
- This man is so obsessed with 'I can buy Love' that he hurts people deeply to prove that he can buy their Love anyway. He can be blackmailed because of this, but he doesn't want to learn in a healthy social environment.

What do Beatlefans need to do?

- Make sure that you do not support the VIP in Dr Sir PmcC -Famous & Wealthy Beatle -
- Islamic-world is against the VIP-lifestyle, not against normal hardworking average people who want fairness for ALL of US. This is why Iam not being threaten, while others in NL are.
- When you feel the need to publish something on DrSir PmcC...stick to facts...
- Personally, I believe 'that you have to drop him, to make him feel the damage he causes in other people'. This man needs: 'an eye for an eye, a tooth for a tooth'.

I can't continue warning all persons linked to PmcC. Please send this letter to people you believe need it.

Have a straightforward day,

desiree stokkel
