**Buckingham palace, Downingstreet 10, Kremlin, Support our soldiers, NCVO, NAACP, BBC, Aljazeera, Paul & StellamcCartney,**

This email is published on [www.desireestokkel.nl](http://www.desireestokkel.nl) and forwarded to the Int.Criminal Court on CD.

**I start with Paul & Stella mcCartney,**

**Paul mcCartney.... you know that civilians & soldiers die in Afghanistan now you accept prizes from the Whitehouse. You are completely indifferent.**

**Stella mcCartney ...you know that you increase the risk for terrorism-attacks when you design sportswear for the London2012. You enjoy your assignment.**

You are both psychopaths who enjoy to torture & kill warvictims, aid-workers, & soldiers. You both have created a double life for yourself over the past 2 years, since I entered your lives in april 2008.

In life 1 you make sure that persons are being damaged, injured & killed for the maintenance of your VIP-status quo  
 In life2 you present yourself as the famous Beatle-mcCartney-family, on top of the world, rewarded for creativity.

You both behave like the artists who worked for Hitler  
 = you take sides for the highly placed criminals & VIPs, for you own security, fame & income.

I asked you to rescue my live within the Int.Criminal Court for reasons of Justice for All of Us and Peace on Earth.  
 It has becomes very clear that you both only want to be linked to me for a place in the history-books of ICC,  
 for more fame & money on your bankaccount.  
 And you both want my ICC-case to faile, so you can be free to enrich yourself at to cost of lives of lawless people.

On top of this you both are being rewarded for this warcrime in connection with me & ICC, by politicians & VIPs.  
 Nobody stops you, because Barack Obama has given you the Gershwin-prize first and now the Kennedy-prize second.  
 Oprah Winfrey takes sides for the warcrimes committed by Obama too.

You both know that Buckingham palace has taken my side in this situation.  
Downingstreet 10 - David Cameron - has to come to new decisions in connection with NL, ICC & Afghanistan.

### **Buckingham palace & Downingstreet 10,**

**The way you operate in connection with Paul & Stella McCartney is not enough anymore. The fact that we are connected on my websites, is not turning the mcCartneys into more honest people.**

As far as I can see, you have never taken away the SIR-title from Paul McCartney, publicly. Downingstreet 10 has never stopped McCartney from performing in UK.

I believe that you must downsize the mcCartneys for the security of UK & Afghanistan. Take away his title and forbid him to perform in UK.

You are both too naïve!  
I know you work with my emails in connection to the war-situation in NL-parliament. But again, its nog enough!

**ICC prosecutor mr Luis Moreno-Ocampo is a mad-person. ICC-presidents resign after they receive my letters, so ICC staves a war-maker on its own initiative.**

On top of this the EU 'only comes with statements that warn Earth for the growing facism in EU'. EU is legally obliged to stop war-crimes taking place, in NL, ICC & EU...but they are too lazy for this job.

### **Queen Elisabeth...Talk with Medvedev & Putin on this new situation! And call Beatrix too...!**

#### **David Cameron,**

**When you don't withdraw your ISAF-soldiers from Afghan you are an official dictator - war-maker - supporting the criminal methods of NL, ICC, NATO, EU, UN & Obama & Winfrey. And you can be put in ICC-prison for this type of crime.**

**Every individual civilian in UK & Afghan can start an ICC-procedure against you, when the UK-supreme court or the Afghan-supreme court refuses to judge against you for 'crimes against humanity committed in UK & Afghan'.**

#### **Barack Obama & Oprah Winfrey - you will receive this email via the FBI - ,**

Its useless to provide you with information.  
You both have turned mad due to the amount of power given to you by the public & media. You both sabotage justice in every possible way, when it comes to the implementation & conduct of legal frames in order to minimalize slavery, war...or even to anticipate on it.

You both belong in a psychiatric hospital, now you create crimes against humanity & war for the maintance of your own image.

Unfortunately, I can't put you in ICC-prison for misusing my ICC-lawcase. If I could, I would.

**Support our Soldiers & NCVO,**

I am still not under threat of the Moslim-world, despite the fact that NL-VIPs are.

When you demand 'the withdrawal of Nato-soldiers from Afghanistan for Justice for All of Us', you will be perfectly save too.

David Cameron has to wake up; the more criminal Obama becomes, the more agression against Nato & EU will occur in Afghanistan.

Make your soldiers announce 'that they want to leave now'; 2015 is far too late.  
Nato & Kazai are both fighting over 'the effectiveness of ISAF'.  
Obama is making fun of victums.  
Its already too late...and its complete chaos.

NL-politicians continue to fight.  
They are all facists, now they refuse to work with lawbooks.... and want an instable criminal new parliament.

And, I believe that you - UK - 'must inform UK-compagnies that work in favour of the mcCartneys'.  
Like the Liverpool-council...enz..  
You can explain much better than I can what the whole situation will mean for your people.

**NAACP & Turqoisemountain,**

Please stop Obama, Winfrey & mcCartney.  
USA is too far away for me.  
Even warzone is too far away...
