Dear president & Minister of Foreign Affairs,

Un Ban Ki moon & UNHCHR close dangerous & dirty deals with the President & Prosecutors of the International Criminal Court.

Read www.desireestokkel.nl
For evidence of an ICC-case against hostcountry NL, hidden by ICC-president & Prosecutors for the rest of the World.

OTP of ICC refuses to respond to my letters of complaint = they want to torture & kill me.
UN Ban Ki-moon & UNHCHR refuse to investigate on criminal behavior of President & Prosecutors.
mr.Luis Moreno Ocampo reads my sites...and suddenly he and UN closes SECRET deals about suspects & perpatrators.

Pre-Chamber-judge received my file.

President of Portugal & Iran already recognise my websites and ICC-case against NL.

I need ALL Presidents of Earht to recognize this case, so ICC-judges can stop the criminal behavior of ICC-procesutors.

Read my letter to FBI & INTERPOL
<http://www.newlegalframe.com/OpenLetFBIaINTERPOL3september2008.pdf>

ALL info you give me, shall be forwarded to the pre-chamber-ICC-judge in charge of my file and published on my sites.

Desiree Stokkel
