Norway,

Lawyer Spong has not responded to my email, yet.

As soon as possible the families of the victims must make clear 'if they want to participate in this mediashow-like-Fake-lawcase against GeertWilders...or not'.

I sure hope they turn away from that Spong-lawcase!

When I would have lost my daughter or son in a terrorism-attack I would be furious with lawyer Spong!
For not asking me.... 'if I want to be part of his mediashow....'

Another reason is that I think that USA can be in a civil war next week or month.
Than Earth explodes because ICC is a warcriminal itself.

Norwegian people who can pass the politics must state in the media:

'I want my kids to be educated on Human Rights for problem-solving; I don't want then to fight with weapons...

I don't want a civil war in Europa'.

Advocaten Knoops, Weski, Zegveld,

Norway, Buckingham palace,

Advocaat Spong uses the Norway-terrorist-attack in his lawcase against PVV Geert Wilders within the Dutch supreme court & ECHR.

Spong is playing a very dangerous game with human lives.

He is a media-lawyer = he gets a lot of free publicity but he sure is not the most professionally working lawyer we have.

As a matter of fact...his behavior towards me- with my ICC-lawcase against NL - was rude & crude.
 He refused to assist me, because 'he most certainly doesn't want to represent persons like me'
 = he wants to keep his media-position...for his image.
 He doesn't care about Justice at all!

The Dutch supreme court will perhaps accept a lawcase against Wilders, because its started by Spong.
 But Al Qaida - and freaks - know very well that wants ICC to be a Lobby-& Assisnation-centre.
 ICC ignores lawcases against Wilders... and other NL-politicians.

My lawcase against NL within ICC came first; Spong second.

Norway, there's not much I can do from my position today.
 Norway has to outline to its own people that ICC is in hands of terrorists who murder civilians on command of politicians.
 Adn that the Dutch supreme court is a political court.

Norway, Wikileaks,

I have been thinking...

Norway,

The psychological-approach to NL is:

'Make clear.... constantly... that you don't need the service of NL = AIVD, NCTB, Ministry Internal Affairs/
 ForeignAffairs...etc..'

Do you know the tactic:' Always give people what they want....and watch God work....'?

In this situation you must rely on the fact 'that people always get what they want, plus a little extra for
 Evolution'.

Condition = you bring simple accessible TRUTH to Earth, easy to understand in simple English.

Give Wilders what he wants = no connection with Norway.

Result: clean up of the relationship between Evil in Norway and Evil in NL.

Although Evil in NL is 100% ignored or underestimated.

There are w few things you must NOT respond to:

Wilders is reproachful towards political party PVDA, as usual.

But he's also rude & crude towards the Norway-victims = he accuses PVDA of 'misusing the attack for personal benefits'.

Wilders has No communications-skills.

When he would be such a good brave man, he would not say anything at all about the way 'people misuse attacks for their own good'.

He simply would refer to legal obligations one has.

When Norway ignores Wilders but builds Justice, the people will notice,
The NL-media will notice.

In NL this will slow down the Evil minds of Wilders-supporters.

What you need at the moment.

What I need is Wilders & mediamakers to die of a natural death, today.

Where's 'watch God Work when I need it '!?

Its in my house, in another system.....

Norway make clear to Earth: 'That there's nobody in NL you can trust'.

And do connect the Evil practices of ICC to terrorism in EU.

Pass politicians if you want ICC to be a fair courtsystem.

Brainwash ICC into justice.

Norway is at BIG risk, due to Lybia.

David Cameron is a dangerous slavedriver & dictator.

He finances Al Qaida-rebels in Libya.

Al Qaida knows that ICC refuses to bring my NL-case to trial for a fair verdict = Al Qaida is after corrupt politicians.

They also know that Cameron misuses my ICC-info to keep himself above the law.

Wikileaks,

Anders Breivik wants to be connected to Wikileaks.

Stay away from him!

Don't talk about him; don't even think about him.

Let me do the thinking in NL.
