Stella mcCartney, Buckingham palace, Downingstreet 10, Whitehouse & BBC,

This email will be forwarded on the next cd to the International Criminal Court and published on

<http://www.newlegalframe.com/NLFbehaviorPaulmcCartney.html>

Stella mcCartney,

I don't want you to design the sportswear for London2012.

Your father Paul mcCartney has turned himself into a psychopath who enjoys to torture & kill:

- persons in need, especially when they are poor.
- warvictims.
- soldiers in warzone & aid-workers.

There is an ICC-case against your father because he refuses to behave like a normal civilized person, who wants Justice for all of us.

McCartney only wants Justice for himself, at the cost of other human beings.

I will never forgive him for misusing my ICC-case for his Tell Aviv-concert...!

(And Stella - just between you & me -the fact that he wanted to screw Nancy in Israel to prove that he knows all about LOVE...has little the do with it. Nancy brainwashed him in an evil way = 2 narcists together making horrifying plans for their individual greed..., is what makes me feel sick.

I am also furious for the way your father handles Beatrice. He should have been civilized to me...for her future...!

And I am even more angry, because your father has closed down the address for mail connected to the ICC-case.

I don't have a normal business-address of your father anymore...and he refuses to give it to me.

This can only mean 1 thing = Paul mcCartney enjoys to sabotage justice for warvictims & persons who do danger shitt-jobs...!)

Downingstreet 10 - Gordon Brown - has kept mcCartney in his powerful VIP-position, free to continue to make money in a criminal way... because he wanted to be re-elected.

Downingstreet 10 has to face up to a lie they live, namely:'UK is in Afghanistan for the security of the UK'. Bullshitt.

I warned the whole God-damned world 'that Taliban will win, because EU-leaders are above the law... and ICC is free to be a political court... '.

UK is being confronted with Afghan-soldiers working with/for NATO ...and killing NATO-soldiers...

As long as the lies continue the war will continue too!

David Cameron has to make a choice here.

Is Downingstreet going to protect mcCartney..or do they protect their own soldiers, warvictims & people?
Paul mcCartney ...or Jamie Oliver? You father endangers the lives of Jami Oliver by linking himself to Jamie.

Jamie is on my website... has not been threatened or stalked as far as I know... because of his connection with my ICC-case... and your father is jealous...
Jamie wants the people to have Justice for all of us; your father wants people to die for his VIP-holiday lifestyle.

President Obama is a calculated mass-murderer, who has decided together with the FBI to give mcCartney all the freedom he wants, because mcCartney must be a cover for Obama's warcrimes.

When Obama was a candidate for President, I gave him and Oprah Winfrey my ICC-case. In a way that both could get acces to ICC-courtroom instantly...so they could help me 'stop war'.

Obama misused my ICC-case in order to keep ICC a Hitlercourt where EU-victims must be tortured & killed for favourism between USA & EU-politicians Politicians want to start wars and be in wars... but who don't want to be sent to prison for doing so.

Obama wanted to copy 'the Dutch way of working in Afghanistan', so Hillary Clinton closed a criminal pact with NL.
= USA ignores my ICC-case against NL..and has me tortured & killed by ICC
= ignores the fact that ICC prolongs war in Afghanistan...& ..on Earth
= give politicians the freedom to be above the law

Hillary Clinton is rewarded for her participation in NL-warcrimes with the Four Freedom award in Middelburg, NL.
Given to her by Balkenende & co as a thank you 'for keeping ICC a Hitlercourt'.

Obama has given Paul mcCartney the Gershwin-prize as a thank you for the fact that mcCartney refused to rescue the lives of warvictims. In connection with Israel, NL, ICC & Afghanistan.

Obama wanta war to stop...but without the implemenation of lawcases in international courts.

Stella, I don't want you to design London 2012...because its a Giga-event that will get all the media-attention it wants.

You didn't stop your fathers criminal behavior either, because you are too indifferent, too. I begged you and your brother & sister, but you don't care either.

Unfortunately, is the media rather partial & lazy in connection with war, NATO, EU..., UN...and ICC... Terrorists know this!

And not only terrorists...but also the people who now must suffer under the economical-crisis.

This crisis will continue for the middle-class...because politicians lie about legal solutions for problems...
and prefer to use weapons & violence.

You may not compare London 2012 with WK-soccer in Africa!

= the reasons for creating crime, war and hell differ from one and other...

= the Muslim-world is against UK in general. especially when they become close friends with Obama.

= and they keep the rich rich...and the poor poor...

= NL will have a highly corrupt-lazy-stupid new parliament... very soon... NL will collapse more than the media reports.

**I believe that London 2010 should be about sports...
and creating a movement for Fair trade & Eko...**

**Without crimes against humanity...and committees & businesses
getting richer at the cost of human lives and countries.**

In Africa, 1 billion euro alone is invested into the making of the stadiums.
Now they are empty... while the people still live in slumps, being jobless again.

Buckingham palace & Downingstreet 10,

It's about time you make some choices!

Remove UN Ban Ki Moon from his position because he wants ICC to be free to build war

Withdraw UK-soldiers from Afghanistan...as a token for wisdom.

Close ICC temporarily, because the prosecutor is a psychopath, even worse than Hitler.

Stop your empty-headed talks about 'UK is in Afghanistan for UK-security'.

Close down Paul McCartney ...in favour of... peace...and Jamie Oliver...

You can't work with Stella McCartney for London 2012 without increasing the risks for terrorism-attacks.
