<http://www.newlegalframe.com/talks.html> Read my letter of 2 january 2009 to the Kremlin & Paul mcCartney.

Stella mcCartney,

I am serious about wedlock with you father Paul mcCartney.
Wedlock with Nancy can not be succesful, because the psychoses of Heather will destroy happiness, after the weddingday.
This is a 'psychology-law'.
Heather want the USA-dream with the Sweet sixteen for Beatrice', while in fact the girl needs 60% science & 40% music'.
B. needs to learn to make Oxigen first before she can sing...

I assume Nancy is more intelligent, and has more assets than Heather has. This makes Heather 'freak-out'.
She will go bankrupt before Beatrice is 10 years old, anyway.
Status quo of a Wellfare-mother will bring Heather some good!

Paul will 'jump into the next dangerouos marriage', while he believes 'he can cope'.
Paul & Nancy are not smart enough to handle that situation.

I know that... due to the way 'the mcCartney-group handles me during the Tel-Aviv-concert.

B. needs me, a Dutch mother.
I can educate her 'to pass her biological-mothers madness'.
Nancy can stay her USA-mother.
